FRIDAY, FEBRUARY 28, 2025

1-3 P.M. AT ESD 112
12500 NE 65TH AVE
VANCOUVER, WA 98661

WHO WE ARE:

We are a group of special educators working in public and private settings across southwest Washington state who have a passion for Assistive Technology (AT) and/or Augmentative and Alternative Communication (AAC).

WHAT WE DO:

We are a regional division of the *Special Education Technology Center (SETC) which provides training, an assistive technology lending library, and consultation services to help connect parents and educators with appropriate assistive technology to support preschool through 12th-grade students with disabilities.

AGENDA:

SPEAKER

SETC will be sharing an overview and updates on available resources and trainings.

PROFESSIONAL NETWORKING

Meet other local like-minded teachers, and related service providers (SLPs, PTs, OTs) who are interested in AT/AAC.

PROFESSIONAL DEVELOPMENT

Come share your topics of interest for professional development or group collaboration. Help us design the group structure for future sessions.
