Neurodiversity Affirming Schools: Transforming Practices so All Students Feel Accepted and Supported

Join us for a thought-provoking book study exploring practical strategies for creating an inclusive, neurodiversity-affirming school environment that supports students with diverse learning needs. Through engaging discussions and reflections, participants will gain insights into how to embrace neurodiversity, adapt practices to meet the needs of all learners, and foster a classroom culture where every student feels seen, valued, and supported. This book study is ideal for educators, administrators, and anyone interested in transforming their approach to neurodiversity in schools.

FREE books available for WA State educators and parents while supplies last.
