

The Shift to Student-Led Reimagining Classroom Workflows with UDL and Blended Learning

Book Study

Revitalize your teaching and re-engage learners with *The Shift to Student-Led* by Catlin Tucker and Katie Novak. Explore how UDL and blended learning can transform traditional workflows, reduce teacher burnout, and empower students. This book study supports WA's updated Teacher and Principal Evaluation and Growth Program (TPEP). Join us as facilitators guide a practical, inspiring journey toward more sustainable, student-centered teaching.

Facilitators: Tracy Dabbs, Arie Werder, Katie Dorr

Dates: 1/08, 1/15, 1/22, 2/05, 2/12

Time: 4:00-5:30 PM PST

Price: \$25

Learn More & Register:

The first 25 Washington State educators or parents to register will receive a free book, courtesy of SETC. We'll be in touch after you sign up to confirm.
