

Spring Q3 In-Person Workshop and Immersive Labs Event

Explore, Connect, and Take Action

A supportive, hands-on environment designed for neurodivergent students and their families

Three Experiences. One Place to Move Forward.

- **Main Workshop**
Meet 1:1 with trusted providers from our Spring Q3 online sessions and get support with next steps
- **Job Readiness and Employment Immersive Labs**
From exploration to employment—explore options, practice interviewing, and build skills to get and keep a job
- **Assistive Tech Lab**
Discover and try hands-on tools and devices that support learning, communication, and autonomy

- Complete paperwork on the spot
 - Get answers in real time
- Connect with families, providers, and partners
 - Take action and check things off your list

Explore. Connect. Take Action. Get. Stuff. Done.
